AMA QUEENSLAND ANNUAL CONFERENCE

Kronborg Castle

Copenhagen DENMARK

Discover the perfect blend of innovation, culture, and Scandinavian charm at our upcoming conference in Copenhagen, one of Europe's most vibrant and sustainable cities. Renowned for its cutting-edge design, historic architecture, and world-class gastronomy, Copenhagen offers an inspiring backdrop for learning, networking, and exploration.

Beyond the conference, Copenhagen invites you to explore its many treasures. Take a stroll along Nyhavn's colourful harbour, visit the iconic Little Mermaid statue, or take in the free town of Christiania. See the changing of the royal guard at the Palaces of Amalienborg and perhaps even spot our very own Queen Mary.

Trade our beaches for canals lined with colourful townhouses, swap coffee culture for hygge-filled cafés, and experience a completely new take on public transport—efficient, clean, and mostly on two wheels. Enjoy a culinary adventure in one of the city's Michelin-starred restaurants or sample local delicacies at the buzzing Torvehallerne food market. The city's compact size makes it easy to explore, whether you're walking, biking, or hopping on a ferry.

With flight options via major Asian and European hubs, getting to Copenhagen is easy. It's also a gateway to exploring more of Scandinavia, making it perfect for combining business with a European getaway.

Itinerary and schedules

Although no changes are anticipated, this itinerary may be altered or modified as required without notice or liability of change. Orbit World Travel is acting in the capacity of an Agent and cannot be held responsible for the services of operators included in this package.

Registration and options

If you do not purchase the land package listed and managed by Orbit World Travel there will be a surcharge of A\$1000 per person in addition to your registration fee. This is to cover the costs of running an international conference. You will only have access to conference sessions and no access to Welcome Function, Farewell dinner or any other package inclusions. Local optional tours can be purchased at additional cost. We highly recommend talking with orbit World Travel about your specific travel requests, such as apartments for families and other such variations so your package can be amended to fit your requirements and include social functions and tours. Flights can be booked by own arrangements or with Orbit World Travel, however some special fares are on offer in conjunction with this package.

Pandemic policy and unforeseen circumstances (including COVID-19 policy)

During such times as COVID 19 or any other future event where unexpected border closures and travel restrictions may occur, changes may have to apply. Policies like this are outside the control of Orbit World Travel, AMA Queensland and the travel providers. Should there be travel restriction/ ban or should the conference planning committee have concerns over heightened risk to its members, a decision may be made to alter or cancel of this conference. Should a complete cancellation of the conference occur due to any such unforeseen occurrence we commit to refunding delegates any funds received back from suppliers. Should an alternative new travel date and venue be arranged by the Conference planning committee your payments will be transferred automatically. Alternatively standard cancellation fees apply. It is strongly recommended that Travel Insurance be taken out at the time of initial registration. Contact Orbit World Travel for your discounted rate.
